

Retail Design & Planning

A comprehensive understanding of retail design allows us to focus on our clients' needs and do what we do best - design attractive and functional retail projects. BAKER & ASSOCIATES ARCHITECTS produces quality construction documents, carefully analyzes construction costs, and provides diligent construction administration services while *meeting aggressive project deadlines and budgets.*

BAKER & ASSOCIATES ARCHITECTS is a straightforward, service-oriented architectural firm *licensed in over 30 states specializing in retail and commercial design.* By specializing in retail projects, we are able to stay current with the market place and anticipate future trends. Our experience and understanding of retail design enables us to identify the critical issues that will affect the planning effort and eliminates the design team learning curve, which is important to the success of any project.
